

General Meeting

5/30/19

Walt opened the meeting at 7:10 pm with the Pledge of Allegiance. Janet Laing could not be here, so no treasurer's report. Janet will put report online, updated through May.

NJSIAA is procrastinating regarding how we will pay our state dues, take the concussion test and complete payment for background check. The belief is everything will be wiped clean as of June 8th, so we should be able to complete concussion test and background check as of June 9th online through Arbiter. Jim needs all this information done quickly, so that he can start the assignments for the XC season by September. Everyone has to take the concussion test again in June, no matter if you have taken it at some point in 2019.

Cadet class is once again being planned for early September, so if anyone has someone they know, refer names to John McGilvary. Looking to have class with hands on, as well as textbook material.

Jim McMillan reminded everyone to look for a badge on your profile on Arbiter. The badge means you are in good standing and have all requirements completed. He also suggested that if we are referring people for the cadet class, we make sure they are aware of the physical requirements of the job. We have had some cadets who have struggled with mobility issues this year, making it very challenging for Jim to do assignments.

Barbara Banks said she has reached out to some student teachers and college students regarding the Cadet class. You must be 18 yrs. Of age to take the class.

Discussed tentative meeting dates and the importance of a Nov. meeting in the Bubble to go over the various start lines and cut off for the indoor season.

The uniform guy apologized for the delay in delivering uniforms this Spring, he is planning on attending the Nov. meeting at the Bubble and will be fully stocked.

Meeting was adjourned at 7:38, motion made by Mark Mellea, second by Philip Beesley
