

GENERAL MEETING

October 19, 2020

Walt Olson opened the meeting at 7:05 pm

Treasurer's Report from Janet Laing

Balance \$8,745.38. This balance will cover expenses for this school year and for next. We will not be collecting dues this year, the \$55.00 paid last year will cover officials thru Spring 2022.

Dues to the State are separate, we have not received guidance from the State regarding dues to the State.

Concussion Course - Lynn Hallenbeck reminded all officials that they needed to redo their concussion course after June 30th. for the coming year. All you need to do is take the course and forward me a photo of your completed certificate.

In regards to XC season, Jay said he has been receiving last minute changes to both schedules and sites for meets and thanked us all for our patience and adaptability.

Jim McMillian spoke about the NJSIAA restrictions for XC. There will only be Monmouth and Ocean County Championships, no Shore Conference Championships. The State will have sectionals the second week of November.

In regards to Indoor Season, schedules are in disarray. The state came out with guidelines saying there cannot be invitationals. Since

most of the indoor season is made up of invitationals, season is in limbo. State did say that they reserve the right to change, if things improve. Indoor looks discouraging at this time.

Walt mentioned coaches are trying to be creative with indoor and they may try to have some meets outdoor, with limited events.

Walt also mentioned that, as of right now, we will be putting a hold on a Cadet class.

Walt adjourned the meeting at 7:28 pm
